

Are you aged 65 or over?

Have you experienced fraud by someone you know or trust?

We want to hear your story.

I am conducting doctoral research at the University of Leicester to understand how older adults experience and respond to fraud by people they know or trust. This research aims to move beyond simple narratives to understand the complexity of your experiences.

What's Involved

- A confidential interview lasting up to 75 minutes
- Choose between in-person (East Midlands) or online via Microsoft Teams
- Share your experiences in a safe, supportive environment
- Your identity will be protected, with all identifiable information removed

Can You Take Part?

- You are aged 65 or over
- You have experienced fraud or deception by someone you know or knew (partner, family, friend, or professional)
- Any investigation into the fraud has been completed
- You can speak and understand English fluently
- You are willing to share your experience

Why Your Voice Matters

Improve understanding of how fraud affects older adults

Inform psychological theory and clinical practice

Support service development & safeguarding strategies
